PUDDY - Puller Rd – Boxmoor - last seen Fri 6th Feb 2015

Bengal, 6yrs old, male, neutered, microchipped. He was wearing a **RED COLLAR** with bell.

Please help us find him by searching your sheds, garages, cars and wheelie bins.

He's a very curious and friendly boy who we miss very much. Not to be confused with his look-a-like brother who wears a royal blue collar and is still in and around home.
